### **DETAILED ACTION**

1. This action is responsive to communications: Amendment, filed on 10/18/2004.

This action is final.

2. Claims 1 and 2 are pending in this application. Claims 1 and 2 are independent claims. In the Amendment, filed on 10/18/2004, claims 1 and 2 were amended.

3. This application is a Continuation of PCT/JP99/07248 dated 12/22/1999.

4. The present title of the invention is "Communication terminal" as filed originally.

### ***Claim Rejections - 35 USC § 102***

5. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

6. Claims 1 and 2 are rejected under 35 U.S.C. 102(b) as being anticipated by Arcuri et al. (6,121,968).

As per claim 1, Arcuri et al., hereinafter Arcuri, discloses a communication terminal comprising:

a display unit (14) which displays an original selection screen for selecting at least one of a plurality of options (Figure 2A, item 100);

display control means (11) which causes display of options in said display unit by division (Figure 1, item 36 is the application program; Figure 2A is a short menu and Figure 2B is a long menu, when an option is not listed in the short menu the user can expand to long menu; additional menu can be added at the bottom of the expanded

long list (column 10, line 40-41); in this case, a user is looking for the option "Ruler");  
and

a key for selecting an option not currently displayed in said display unit from the options to be selected (Figure 2C where a cursor is used to select "Ruler");

said display control means causing, when an option not currently displayed has been selected, display of a screen associated with said selected option in said display unit and causing when next displaying said original selection screen by operating a key, display of a screen that includes an indication of the selected option (Figure 2D, when the menu is returned to the short list, the "Ruler" option is included).

7. As per claim 2, Arcuri discloses a communication terminal comprising:

a display unit (14) which displays an original selection screen for selecting at least one of a plurality of options (Figure 2a, item 100);

display control means (11) which causes display of options in said display unit by division Figure 1, item 36 is the application program; Figure 2A is a short menu and Figure 2B is a long menu, when an option is not listed in the short menu the user can expand to long menu; additional menu can be added at the bottom of the expanded long list (column 10, line 40-41); in this case, a user is looking for the option "Ruler");  
and

a key for selecting an option not currently displayed in said display unit from the options to be selected (Figure 2C where a cursor is used to select "Ruler");

said display control means causing, when an option not currently displayed has been selected, display of a screen associated with said selected option in said display

unit and causing display of information indicating said selected option when displaying said original selection screen next by operating a key (Figure 2D, when the menu is returned to the short list, the "Ruler" option is included).

### ***Response to Arguments***

8. Applicant's arguments, see Amendment, filed 10/18/2004, with respect to the rejection(s) of claim(s) 1 and 2 under Asuma have been fully considered and are persuasive. Therefore, the rejection has been withdrawn. However, upon further consideration, a new ground(s) of rejection is made in view of Arcuri et al.

### ***Conclusion***

9. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

### ***Inquiries***

10. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ryan R Yang whose telephone number is (703) 308-6133 ((571) 272-7666 after 3/1/2005). The examiner can normally be reached on M-F 9:30AM-6:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Razavi can be reached on (703) 305-4713 ((571) 272-7664 after 3/1/2005). The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
